

25, 26 & 27 FEBRUARY 2026 | BHARAT MANDAPAM, NEW DELHI, INDIA

ARCHITECT HOSTING PROGRAMME

Where India's Top Architects, Designers
& Planners Come Together

Municipalika 2026 brings a powerful platform designed for India's leading architecture and urban development community. This edition features strategic knowledge partnership from the **Indian Institute of Architects (IIA)** and the **Council of Architecture (CoA)**, bringing national leaders and decision-makers together under one roof.

Knowledge Partners

Who Will Attend

- **500 Hosted Architects** from Delhi-NCR and across India
- Strong participation from **architecture & design firms**
- Urban planners, sustainability experts, design thinkers & academics
- NGOs, think tanks & independent urban practitioners

Sponsors gain unmatched visibility and direct access to influential architects, buyers and decision-makers shaping India's built environment — through curated B2B meetings, premium engagement zones and high-impact networking.

Key Highlights

IIA Council Meeting

A rare gathering of the full IIA leadership — offering high-value access to national decision-makers.
